Tony Febres-Cordero — President

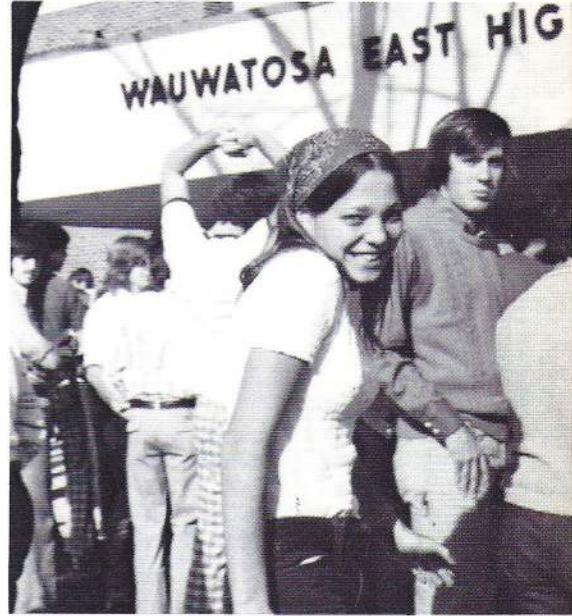

Pam Nelson — Treasurer

When did we lose childhood's wide-eyed hopes and find a new beginning? Did we march and cry out to be heard, only to find that they too had things to say? Was it our selfish wants and desires that left us confused, until we found we were not alone in our disillusion?

Where among a blackened sky did the stars burn brightly just for us? Was it we who ran hand in hand with maddening joy to discover life once again ... for the very first time.

May 12, 1957 — Oct. 19, 1974

Those of us who knew Linda will always remember her as a vigorous individual filled with life and love. If you were down or just in a "bad mood," Curly was there to cheer you up. If you needed a friend to talk to, Curly was there ready to listen. If you had troubles, Curly was there willing to understand. Filled with life and love and a willingness to share and care about others — that is the Linda that lives in each of us, her friends.
