

Our Lives Our Fortunes And Our Sacred Honor

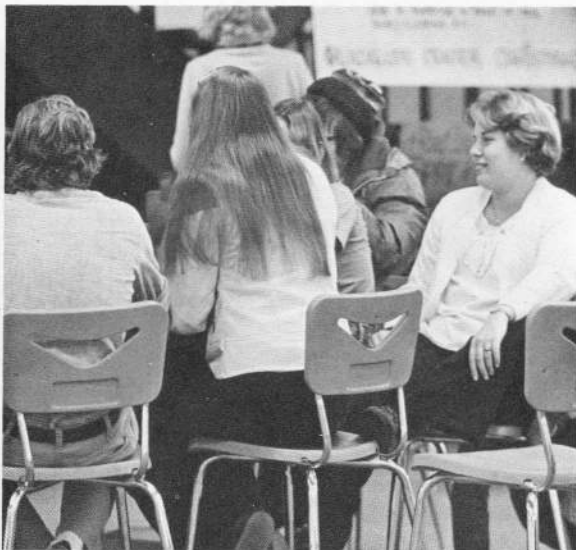

Jim Proft — President

Sue Baumann — Vice President

Three years at Tosa East; three years of change. The Class of 1976 has been educated during a time of transition: the old building gave way to a "new" East, open noon hour was instituted while mandatory study halls became a thing of the past.

But these changes were just a prologue to the adjustments that the Class of '76 will face in the unpredictable future.

In Memoriam

James M. Rauterberg
November 7, 1957
February 1, 1976

To those of us who knew Jim, he was a very special person. He had a smile that would light up your day, and bright blue eyes that shone with his enthusiasm for life. Jim brings different memories to everyone. To some he is his big black Caddy Cruiser, or the cottage on Big Cedar. To others, working at the Red Lobster, bowling or skiing at Little Switzerland. We love Jim in a special way, and we will keep him in our hearts forever.

Hopefully through Jim's death, we have gained a greater appreciation for life and those still living.
