TOSA EAST PLAYERS

It is a pleasure to have you as a guest for this performance of "GODSPELL". This represents the first production in our newly remodeled East High Theatre. This teaching facility provides young people with the many facets of live theatre. They learn all there is from costume and make up, lighting, stage design and construction, and acting/directing. Many of our young people continue in theatre work after high school, and this exposure thus provides them with life time benefits. Enjoy the show!
